### Career Objective:

Upon completion of my service to the Florida FFA Association, I intend to pursue Animal Science and Agricultural Communications degrees at the University of Florida. I will subsequently attend an Agri-Business graduate degree program, and seek a career within agriculture where I will utilize the culmination of my business and communication studies to bridge the gap between production agriculturalists and uninformed consumers.

### Education:

University of Florida  
Accepted  
Indian River State College  
Cumulative GPA: 4.00/4.00  
Okeechobee High School  
Cumulative GPA: 4.00/5.1449
