

2021 State Officer Candidate Workshop (Virtual)

Registration Deadline: February 5, 2021

PURPOSE

This virtual workshop is not designed to coach a student through the process; however, it is designed to help them understand how the process works, highlight any changes in the process, and also the expectations of state officers.

Attendance at this workshop is not mandatory and potential candidates who cannot attend will not be penalized in any way. All information shared at the workshop will be archived and made available online following the workshop.
