

DANIEL "TYLER" RIGGS

**Area 1 State Vice Presidential Candidate
Northview High School FFA Chapter**

Dear Area 1 Chapters, Members, and Advisors,

It is with great pleasure that I introduce myself as one of your Area 1 State Vice Presidential Candidates. I am Tyler Riggs, proudly representing the Northview High School FFA Chapter in Escambia County. I have been a member of the FFA for four years, and in this time, I have always tried to make the best of each opportunity provided to me.

My passion for agriculture was initially ignited by planting a seed. Unknown to me at the time, that physical seed would become my seed for success. As I watched the green stem of one small tomato plant break free from the surface of the soil, the same thing happened within me. As my advisor encouraged me to pursue the many avenues available in FFA, I began to branch out and grow in my personal and agricultural endeavors - just as that single tomato plant did.

In my time within this organization, I have taken part in many activities that I would have previously thought to be impossible - participating in every FFA event I could while completing numerous dual enrollment courses on the path to my future. Balancing such a schedule would have sent me into shock a year ago; however, pride for our organization and a desire to continue growing pushed me forward. Through this, I have found that the value of tangible measures of accolades and awards is minuscule when put up against the growth that the FFA has facilitated within me and my fellow members. The countless opportunities available in FFA have each instilled a level of stewardship and personal ownership in me that is difficult to describe.

If elected to serve as your Area 1 State Vice President, I will strive everyday to urge each of you to embrace the spirit of FFA just as I did. By seizing every opportunity for growth and learning available, you are planting seeds that can blossom into a brighter future for yourself and the agricultural industry. I am beyond grateful for this opportunity and cannot wait to see everyone at the 96th Florida FFA State Convention & Expo this summer. Until then, please use the contact information below to reach out, as I would love to speak with you and answer any questions you might have leading up to convention.

Sincerely,

A handwritten signature in black ink that reads "Tyler Riggs".
