FLORIDA FFA AREA III
STATE VICE PRESIDENTIAL CANDIDATE

Serve boldly. Lead humbly.

Area III FFA Members and Advisors,

It is with great enthusiasm that I introduce myself as a Florida FFA Area III State Officer Candidate. My name is Reagan Rowe. I attend Belleview High School and proudly represent the Florida Virtual FFA Chapter. I am seeking the opportunity to serve as a Florida FFA State Officer not only to give back to the organization that has given me so much, but also to advocate for the agriculture industry that grounds us and sustains our future.

Throughout my FFA journey, I have been shaped by experiences that have instilled in me a deep appreciation for our agricultural roots and the power of authentic connection. FFA has provided me with opportunities for leadership, personal growth, and lifelong friendships. Now, it is my goal to give back by encouraging members to discover their passion for agriculture, to strengthen the bonds within our FFA family, and to build meaningful, lasting relationships across chapters and communities.

My mission as a State Officer is to Serve Boldly and Lead Humbly. To me, serving boldly means stepping forward with confidence and compassion—showing up for others, even when it's hard, and using every opportunity to uplift those around you. To lead humbly is to understand that leadership is not about titles or recognition, but about putting others first, listening with an open heart, and always striving to grow. Together, these values represent the kind of servant-leader I aim to be and the kind of culture I want to inspire within our association.

I want to sincerely thank you for your commitment to this vital delegate process and for considering me as a candidate. To all chapters, congratulations on your achievements this year, and best of luck as you finish the school year strong. I look forward to seeing many of you at the 97th Florida FFA State Convention this June!

I would be honored to meet with members of your chapter—whether via Zoom or in person before or during convention week—to learn more about your experiences and share more about my goals as a candidate. Please feel free to review my attached resume and reach out with any questions. Thank you again for your time and consideration.
