## FLORIDA FFA AREA VI STATE VICE PRESIDENTIAL CANDIDATE

### Dear Florida FFA Advisors and Members,

It is with great enthusiasm and humility that I introduce myself as your Area VI State Vice Presidential Candidate. My name is Trenton Felton, and I am proud to represent the Clewiston FFA Chapter, where my hometown has nurtured my love for agriculture and shaped the servant leader I am today.

FFA has been my compass, guiding me from the moment I zipped up my blue corduroy jacket for the very first time. It has pointed me toward experiences I never imagined: raising and showing steers, advocating for agriculture on various platforms, competing across the state, and leading my chapter as president. Each degree earned, each contest practiced, and every SAE completed added a new path to my compass, shaping not just the leader I am today, but the servant I strive to be.

Just like a compass points us toward our true direction, servant leadership has guided every step of my FFA journey. It's been my foundation, anchored in a heart for service and a desire to uplift others. From organizing community fundraisers to volunteering after Hurricane Ian, I've learned that leadership begins when we put others before ourselves and leave the path better than we found it. These experiences reminded me that our greatest impact isn't measured by personal success, but by the positive change we create in the lives around us. For me, that's what it means to be a leader, to trust the path, serve with intention, and help others find their own direction along the way.

Being a leader isn't just about where you're headed, it's about helping others find direction too. As your Area VI State Vice President, I hope to serve as a guide, a supporter, and a steady hand on the compass for each member who's still discovering their own paths.

### Florida FFA, Our Journey Together Starts Right Here!
