

ZACH MOSLEY

one moment

Dear Florida FFA Members and Advisors,

My name is Zach Mosley, and I am honored to represent the DeLand Senior FFA Chapter as a candidate for Florida FFA State President. I am incredibly grateful for the opportunity to serve this association that has given me so much, and I truly appreciate you taking the time to learn a little about my story.

Raised on a cattle ranch in northeast Mississippi, agriculture has always been a part of my life - but FFA was not always within reach. It wasn't until a single moment, a simple and humorous conversation about moving to Florida for new opportunities, that my journey in the blue corduroy truly began. What started as an idea quickly became reality, and that one moment changed the course of my life. Through FFA, I found not only leadership opportunities, but a place to belong, a purpose to pursue, and a voice to use.

Throughout my time in FFA, I have been blessed with opportunities to grow as a leader and serve others. From coordinating leadership workshops and chapter visits as your District VI President, to representing over 2,400 members across the country as President of the American Junior Brahman Association, each experience has shaped my passion for service. After I zipped up the blue jacket for the first time, I discovered the Discussion Meet LDE, a contest centered around facilitated conversation and problem-solving on agricultural issues. It allowed me to continue that passion through my work in the livestock industry, my involvement in youth development, and my commitment to advocating for agriculture.

However, what matters most to me is not the titles I hold or the banners I've hung, but the impact we can make together. As a state officer, my goal is to ensure that every member - no matter their background, chapter size, or experience—feels seen, valued, and inspired to find their own "one moment." The moment that builds confidence, creates connection, and sparks a lifelong passion for agriculture and leadership.

FFA has given me more than I could have ever imagined, and I am committed to giving back to this organization that has shaped who I am today. I would be honored for the opportunity to serve you, to represent your voices, and to continue strengthening the future of agriculture in our state.

I look forward to meeting you at the 98th Florida FFA State Convention and Expo. Thank you for your time, your support in this process, and for the impact you make in the lives of FFA members every single day.

Yours truly,

Zachariah Mosley

Florida FFA State Presidential Candidate

ZACH MOSLEY

DELAND SR FFA

FLORIDA FFA STATE PRESIDENTIAL CANDIDATE

OBJECTIVE

I plan to pursue a degree in agribusiness with a focus on pre-law, preparing for a career in agricultural public relations and policy. My goal is to advocate for the agriculture industry by bridging the gap between producers and consumers while promoting transparency and innovation. Through continued leadership, including serving in Florida FFA State Office, I aim to give back to the organization that shaped my journey and strengthen the future of agriculture.
